

OZAUKEE COUNTY TOURISM

Enjoy the brews, wines and spirits of Ozaukee County

Nestled within the hearts of our vibrant communities lie many hidden gems that delight the senses and captivate our taste buds. Whether you're a wine or whiskey connoisseur, or you prefer a tall frothy mug of beer, every glass is a toast to the spirit of craftsmanship and the unyielding bond between crafter, community and culture.

Our local wineries, distilleries and breweries offer a wide array of drinks that welcome both locals and visitors to embark on a journey of flavor and discovery.

Looking for a place that combines craft beer excellence, a community spirit atmosphere and a pet/family-friendly patio? Look no further than **Sahale Ale Works**, nestled in the heart of Ozaukee County in downtown Grafton.

This small, independent, family-owned and operated brewery and taproom is a haven for beer lovers and a welcoming spot for the entire community to come together. With an array of unique flavors and styles, there's something for the beer lover in everyone. Their beer menu features a few tried and true favorites (their most popular IPA, Sky Breaker, is a masterpiece of double dry hoppy goodness), but Sahale is not afraid to experiment with new and exciting flavors. Beer lovers might want to opt for a flight so you don't miss out on what could be a new favorite.

Rebellion Brewing is located at the back of the five-story Hilgen & Schroeder Grist Mill, one of Cedarburg's tallest and oldest structures, and boasts one of the most beautiful patios in the county.

Sample from their menu of locally and regionally crafted beers, or enjoy a favorite cocktail or one of their famous Bloody Marys. Their patio is a must-see and Rebellion does a great job of extending the patio season with tents and heaters, but the brewery's interior is just as picturesque and unique, and is super cozy when the weather turns cold!

In addition to a full lunch and dinner menu and an amazing outdoor patio, **Foxtown Brewing** in Mequon offers up an impressive

rotating menu of locally inspired beers and crafted seltzers, with locally inspired names like Hilgen's Hefeweiss, Breakwater Light and Homestead Lager.
